I have found the Zakat Distribution Policy Document (V.1 2020) by the National Zakat Foundation written by Mufti Faraz Adam (National Zakat Foundation Worldwide) [see attached] to adhere to procedures, practices and processes detailed in the books of *fiqh* of the Ḥanafī legal school. I have not had the opportunity to conduct a thorough investigation in the application of what has been set out in the document; however the opening has been offered to conduct that in due course.

A fatwā/qaḍā' is an explanation and clarification upon the request of the individual who wishes to practice a personal moral code based upon the classical understanding of Islam by traditional scholars. It is the individual's choice to act upon the fatwā/qaḍā'; they are not under any compulsion or duress to accept it or act upon it. This request to understand the position of classical scholars' view on matters within Islam is made at the behest of the individual. Markaz al-Iftā' wa'l-Qaḍā' does not take any responsibility for incorrect use of application of the fatwā/qaḍā' and as a result are exempted from any loss or damage. Markaz al-Iftā' wa'l-Qaḍā' does not advise, promote or condone the violation of any UK laws or any country in which the individual chooses to apply the fatwā/qaḍā'.
