I am delighted to welcome you to National Zakat Foundation's recruitment pack. Thank you for your interest in joining our team and for considering the possibility of contributing to the vital work we do at NZF.

At the heart of NZF are three key themes that guide everything we do: **Community**, **Knowledge**, and **Connectivity**. These themes are not just words—they are the pillars that support our mission and drive our daily activities.

Community lies at the core of our work. NZF was established to serve the UK's Muslim community by ensuring that Zakat is distributed locally, benefiting those most in need within our neighbourhoods. At NZF, we foster a learning environment where every team member is encouraged to grow, innovate, and contribute new ideas. Your expertise, insights, and continuous development are valued here, and we are eager to support you on your journey.

Connectivity is what enables us to fulfil our mission. In today's world, being connected means more than just staying in touch; it means building bridges between people, organisations, and ideas. NZF strives to connect those who give with those who need, creating a powerful network of support that spans across the UK. Our work depends on strong connections—within our team, with our partners, and with the communities we serve. By joining NZF, you will become part of a network dedicated to creating positive change through collaboration and shared purpose.

As you explore this recruitment pack, I hope you gain a clear sense of our impact and the values we uphold. We are looking for people who share our vision and are ready to bring their skills, energy, and dedication to our team.

I invite you to consider how you can contribute to our mission and become part of our journey to transform lives through the power of Zakat. Together, we can continue building a future where every Zakat truly matters, strengthening our communities and making them more connected and knowledgeable.

ABOUT NZF

Introduction to National Zakat Foundation

Welcome to National Zakat Foundation (NZF), the leading Zakat institution in the UK dedicated to the local distribution of Zakat.

Since our founding in 2011, NZF has been at the forefront of empowering Muslims across the UK by ensuring that our Zakat reaches those who need it most within our local communities.

We believe that Zakat, one of the five pillars of Islam, has the power to transform lives and uplift communities when distributed effectively and responsibly.

Our mission is simple but profound: to

make Zakat work for the UK's Muslim community. By collecting Zakat from those who are able to give and distributing it to those in need, NZF provides critical support to vulnerable individuals and families, providing relief and helping them to self-sufficiency.

Over the years, NZF has facilitated millions of pounds in Zakat distribution, directly impacting thousands of lives across the country.

National Zakat Foundation was established in response to a pressing need within the UK's Muslim community: the need for a trustworthy, effective, and transparent mechanism to distribute Zakat locally.

Before NZF's establishment, much of the Zakat given by British Muslims was sent abroad, at times with little visibility into how it was used.

While international giving remains important, there was a growing recognition that significant needs existed within our own communities that were not being adequately addressed.

NZF was founded to fill this gap by creating a platform that allows Muslims in the UK to give Zakat locally, ensuring that their contributions are used to support those in need within their own neighbourhoods. Our approach is unique in that we focus solely on the UK, making sure that the Zakat impacts on those within your own community.

Over the past decade, NZF has grown rapidly, both in terms of the amount of Zakat we distribute and the impact we've had.

We've developed a robust distribution system, established strong partnerships with local organisations, and built a reputation for transparency and accountability.

Today, NZF is recognised as the leading Zakat institution in the UK, and we continue to innovate and expand our services to better serve our community.
