About NZF

Dear Prospective Candidate,
Assalamu Alaikum,

I am delighted to welcome you to National Zakat Foundation's recruitment pack. Thank you for your interest in joining our team and for considering the possibility of contributing to the vital work we do at NZF.

At the heart of NZF are three key themes that guide everything we do: **Mobilisation, Knowledge, and Connectivity**. These themes are not just words—they are the pillars that support our mission and drive our daily activities.

Mobilisation The national Zakat system runs on people feeling responsible for their own communities and empowered to offer support. This unleashing of community-based activism is what will give the growth and reach required to fulfil this vision. We are currently developing pathways for people who wish to support their communities through education, Zakat collection and distribution, and/or fundraising. Creating a movement for social welfare is at the heart of mobilisation, and mobilisation is at the heart of creating the system we must build together

Knowledge is essential in our mission to make Zakat work effectively for our community. We are committed to educating and informing both Zakat givers and recipients about the profound impact of Zakat. This commitment to knowledge extends to our internal culture as well. At NZF, we foster a learning environment where every team member is encouraged to grow, innovate, and contribute new ideas. Your expertise, insights, and continuous development are valued here, and we are eager to support you on your journey.

Connectivity is what enables us to fulfil our mission. In today's world, being connected means more than just staying in touch; it means building bridges between people, organisations, and ideas. NZF strives to connect those who give with those who need, creating a powerful network of support that spans across the UK. Our work depends on strong connections—within our team, with our partners, and with the communities we serve. By joining NZF, you will become part of a network dedicated to creating positive change through collaboration and shared purpose.

As you explore this recruitment pack, I hope you gain a clear sense of our impact and the values we uphold. NZF is more than just a place to work—it is a community of passionate individuals committed to making a difference. We are looking for people who share our vision and are ready to bring their skills, energy, and dedication to our team.

I invite you to consider how you can contribute to our mission and become part of our journey to transform lives through the power of Zakat. Together, we can continue building a future where every Zakat truly matters, strengthening our communities and making them more connected and knowledgeable.

Thank you once again for your interest in the National Zakat Foundation. I look forward to welcoming you to our team.

Warm regards,

Dr Sohail Hanif

**WORKING TOWARDS A
STRONGER MUSLIM COMMUNITY**

Introduction to National Zakat Foundation

Welcome to National Zakat Foundation (NZF), the leading Zakat institution in the UK dedicated to the local distribution of Zakat.

Since our founding in 2011, NZF has been at the forefront of empowering Muslims across the UK by ensuring that our Zakat reaches those who need it most within our local communities.

Our History and Background

National Zakat Foundation was established in response to a pressing need within the UK's Muslim community: the need for a trustworthy, effective, and transparent mechanism to distribute Zakat locally.

Before NZF's establishment, much of the Zakat given by British Muslims was sent abroad, at times with little visibility into how it was used.

While international giving remains important, there was a growing recognition that significant needs existed within our own communities that were not being adequately addressed.

NZF was founded to fill this gap by creating a platform that allows Muslims in the UK to give Zakat locally, ensuring that their contributions are used to support those in need within their own neighbourhoods. Our approach is unique in that we focus solely on the UK, making sure that the Zakat impacts on those within your own community.

Over the past decade, NZF has grown rapidly, both in terms of the amount of Zakat we distribute and the impact we've had.

Today, NZF is recognised as the leading Zakat institution in the UK, and we continue to innovate and expand our services to better serve our community.
