

National Zakat Community Meet

Bring people together. Learn about Zakat. Make an impact.

A simple way to gather friends, family, colleagues, or your wider community to connect, learn about the importance of giving Zakat locally, and to support the work of National Zakat Foundation.

Anyone can host. Anywhere. Anytime.

What is an NZF Community Meet?

An NZF Community Meet is a relaxed gathering that brings people together to:

- Connect with like-minded people
- Learn more about local Zakat and its impact in communities across the UK
- Raise funds to support people in need through National Zakat Foundation

It could be:

- A get-together at home
- A session at work, university, or school
- A mosque or community hall gathering
- A walk, workshop, or creative session

How to Host an NZF Community Meet

Hosting is simple. Just follow these steps:

1. Pick your moment

Choose a date, time, and place that works for you — big or small.

2. Choose an activity

Your meet can centre around something fun or familiar. For example:

- A coffee or tea catch-up
- A walk, hike, or fitness session
- Arts, crafts, or creative workshops
- A quiz night or games evening
- A talk, panel, or discussion
- A book club, film screening, or reflection session

3. Invite your people

Friends, family, colleagues, neighbours, or your wider community.

4. Create space to learn

Share a short NZF video, story, or leaflet about Zakat. You don't need to be an expert, NZF will support you with resources and guidance.

5. Fundraise your way

Share a fundraising link or encourage people to give Zakat directly to NZF.

What Happens at a Community Meet?

Every meet is different, but most include:

- A warm welcome
- A shared activity or experience
- A moment to learn about Zakat
- Time to connect and ask questions
- A clear opportunity to give or fundraise

Where possible we aim to provide everything you need, so you can focus on creating a great experience for your guests.

Simple. Social. Impactful.

Need Inspiration? Try One of These

- **NZF Community Walk** – walk and talk for a cause
- **Quiz for Zakat** – teams, friendly competition and learning
- **Create for Change** – arts, baking, or crafting
- **Wellness for Zakat** – yoga, fitness, or mindfulness
- **Stories of Impact** – invite a speaker or watch an NZF video
